# Thank you

Thank you to all our parent volunteers who help with our booster club, concerts, field trips, classroom supplies, and stepping up when needed. This program could not run without you.

We would like to thank the leadership of Ola High School continuing orchestra at the high school level. It could not be possible without the continued support from Ola Middle, New Hope Elementary, Ola Elementary, & Rock Springs Elementary and their pursuit of excellence in the arts. This year we pioneered a new program where 8th graders can play with the high school students while continuing their music education in the 8th grade orchestra. We continued the success of Kyla Gwyn with the OES Orchestra club. This group of students meets once a week on Wednesday afternoons. Thank you Ayla Trujillo for letting us work with your students each week.

I would personally like to thank the OHS Fine Arts team: Meggie Edwards, Mike Bearden, Mindy Forehand, Kenneth Jennings, Josh Singleton, & John Wood. Our hall is loud, crazy, and the most fun hallway in the school. I wouldn't have it any other way.

To my seniors: We got to meet each other through screens our first year together. We had weekly Fun Friday, Scavenger hunts, show and tell with pets and food, and my favorite: dress up your instrument as your prom date. Thank you for sticking it out and making it this far. I will miss you and hope you find a way to enjoy your instrument after high school.

Thank you Chip Forehand, Jessica Hanthorn, and PAC Staff for bringing our vision to life for this grandiose performance.
