

SPECIAL EDUCATION PARENT ADVISORY COMMITTEE (SEPAC)

WHAT IS SEPAC?

The Henry County SEPAC is a critical partner in advising the ESE Department on the unmet needs related to the education of students who are receiving ESE services, within the district. Through this partnership, parents will provide invaluable input in the development of the district's improvement plan to improve programs and services for students with disabilities to increase positive outcomes.

OUR GOALS:

- Promote a network of parents of children with special needs through roundtable discussions and provide a forum to share information.
- Promote communication among families with special needs students and the Henry County Exceptional Student Education Department.
- Provide informational workshops and trainings to parents and family members on special education supports and services.

THE PURPOSE:

- Help improve educational outcomes and well-being for all students, including those with disabilities.
- Help identify unmet needs.
- Help shape the development of programs, services, and policies; as well as improve district culture.
