Dear Parents and Community Leaders,

We have some exciting news to share. We are happy to welcome our new Individual or Family Partner in Education program. This is an easy and effective way to partner with the school and help to ensure success in and out of the classroom. Our new Partner in Education (PIE) program is a one-time donation per school year. The funds raised from this program will be used to assist both students and staff in our school.

Our Ola High staff work extremely hard and spend many hours engaging our Mustangs each and every day. We would love to be able to reciprocate this dedication and your partnership with us is going to make this possible.

With a donation of 25\$ (or more) we will place your name on our school website tab for Partners in Education and welcome your family as our partner. If you have a business and would like to donate, a donation of \$250 or more will get your business sign advertised on our fence facing North Ola Road. Both are a great way to give back to the school.

We know that Ola High School is a special place in a caring community. We thank you in advance for your consideration and support. All donations are tax deductible. Please reach out to the contact listed below if you have any questions.

You may make your Partner in Education contribution scanning the QR Code below or clicking this link: [Make My Contribution!](#)
