## Media Specialist

This is my first year as a Media Specialist and my first year working in Henry County. I have lived in the county for 31 years and I am going into my 11th year of teaching. Prior to coming to DES, I was an ESOL teacher and Dual Language Program Coordinator in Clayton County.

I am an animal lover and a huge college football fan (GO EAGLES)! I enjoy spending time outside (walking, swimming, camping, hiking, riding my bike, etc.). I also love spending time with my family and friends, especially my precious 18 month old daughter, Olivia.
