REMINDERS

- Henry County Schools has moved to Level 4 Protocols. Masks are required for students. Please make sure your students wears one to school. It would be helpful if a spare is sent in their backpack.
- Check Infinite Campus for updates to your student's grades often. If you do not have access, let us know. We can help you!
- 3rd-5th grades: Make sure to bring your device charged each night. It is a RAD expectation that you have your device charged and ready to learn each day.
- If your student is absent, please send in a physical copy of an excuse on the first day back.
