Dear Hampton High Parents and Community,

As principal of Hampton High School, it is my pleasure to welcome back everyone for another great year at Hampton. On behalf of the entire Hampton Faculty and Staff, we are excited to have our students back in our classrooms and hallways filling them with energy and enthusiasm for learning.

Our district, through the leadership of our Superintendent Dr. Davis and the School Board, has outlined three strategic priorities for this school year which are:

- ***Unify Henry County around excellence in public education***
- ***Strengthen our core business of student learning***
- ***Ensure a high performing environment for all students***

Hampton stands ready to support these priorities by ensuring our teachers are focused on the new Henry Learning and Teaching Standards (HTLS) and using the Henry Learning Progressions (HLP). Our teachers will spend time weekly unpacking these standards in their Professional Learning Communities (PLC's). During this focused planning time, they will be analyzing current assessments to guide them in creating engaging and digitally rich lessons that are focused and personalized to ensure our students are actively engaged in the HTLS. Additionally, our teachers will meet with and support students as they develop personal learning goals to ensure growth and improvement.

As you can see, we have had a very busy summer planning for this coming school year and are ready and eager to guide and learn alongside your students. It is truly a privilege and honor that you have trusted us with your students. Furthermore, we love being a part of this community where parents, teachers, and students care for each other and strive to build positive relationships that support the academic and social/emotional growth of our students. Our ultimate goal is ensuring our students are college and career ready!

Please feel free to contact me at 770-946-7461 or at [mgore@henry.k12.ga.us](mailto:mgore@henry.k12.ga.us). Once again, welcome back! It is going to be another GREAT year!

Respectfully,

Martin Gore  
Principal
