

# COVID-19 MANAGEMENT PLAN

## Continuum of Multi-Layered Mitigation Strategies

Adapted per OCGA Section 20-2-59 as amended by SB 514. Information subject to change.

### SY 2022-2023

Henry County Schools has a plan to advance layered mitigation strategies if local conditions of community health warrant adjustments. We will continue daily monitoring of community health conditions and school impact - along with consultation and coordination with medical authorities - as we responsibly open schools and proceed through the year. As always, Henry County Schools will adhere to any applicable federal or state executive order as required.
