A blue-tinted photograph of a classroom. In the foreground, a young man is seated at a desk, focused on his laptop. To his left, another student is also working on a laptop. In the background, a female teacher stands with her hands clasped, observing the students. To her right, another student is visible, and further right, a young woman is seated at a desk, looking down at her work. The room features large windows and a bulletin board with various papers pinned to it. The overall atmosphere is one of quiet concentration and learning.
