

### ***Romeo and Juliet Family Shield Activity***

INSTRUCTIONS: You must now choose a side: Montague or Capulet. Choose your side of the feud based on which side you identify with the most; in other words, the family/set of characters would you fit in with the best. Use your character descriptions and our class discussions to aide you in your choice. Think about how Shakespeare characterizes them. On your family shield, you should fill each of the following: 1) a picture of yourself in the upper left corner, 2) a quote that represents you in the upper right corner, 3) five things you enjoy in the bottom left corner, and 4) a 'C' or an 'M' in the bottom right corner for Capulet or Montague. Montague colors are red and green; Capulet colors are blue and yellow. The upper right and lower left corner should be either red or blue; the upper left and lower right should be either green or yellow. ALL of these will be displayed in the classroom, so make them colorful and creative!
