

Meet The TEACHER

Mrs. Evans

5th Grade

Welcome!

Welcome to the Family! I'm excited to start my 8th year in 5th Grade here at NHE and 15th year teaching as a whole. I hold a Masters Degree with a Reading and Math Endorsement. I currently serve as our schools Beta Club Sponsor with a focus on servitude within the school and local community, and academic state and national competitions.

Let me tell you a little about myself, as I am the person influencing your child for the next ten months. I am married to my high school sweet-heart, Donnie Evans. We reconnected after 20 years apart. He is a realtor with Market South Properties, an actor, serves on our School Council Board, and loves to volunteer at the school! I am a mom of nine. My children are 21, 17, 14, 8, and one that just celebrated his 9th year in heaven. I have 4 bonus children that are 24, 22, 19, and 17. We are a big family with lots of personalities, school struggles, and learning styles. I believe that helps me to be an understanding teacher when it comes to the individual needs of my students. I am an active member of Turning Point Church, where I serve as a team-lead usher. I love to read and relax in my free time. I truly love teaching! It's a passion; not a job.

As your child's teacher, I value open communication. Please know you can always reach out to me with any concerns or questions regarding your child's academic successes and emotional well-being. I use Class Dojo for daily behavior updates, all upcoming tests, and school events. This is also the best place to privately message me with your questions.

I look forward to working with you and your child this school year. It's going to be a great one!
