Log in to the Campus Portal with your user name and password. Click the log in button.

The screenshot shows the Campus Portal homepage. At the top left is the 'Campus Portal' logo and a 'Switch Student' dropdown menu. At the top right, it says 'Welcome Holly Kommer' next to a home icon and a 'Sign Out' button. Below the logo is the 'Infinite Campus' logo. On the left side, there is a navigation pane with sections: 'Family', 'Messages', 'Family Members', 'Calendar', 'To Do List', 'User Account', 'Change Password', 'Contact Preferences', and 'Access Log'. The main content area shows 'District Notices' and 'School Notices' with a notice dated '01/17/2011 001 Senior High'.

Once logged in, an index of accessible information for the household as a whole is listed in the navigation pane located on the left hand side of the screen. **Sign Out** and **Home** buttons appear in the top right corner of the screen, with the **Name** of the individual logged into the Portal appearing next to these buttons. Clicking the **Home** button will take the user back to the homepage seen upon signing in. This page contains the **Family** and **User Account** sections of the navigation pane. When a user first logs in the Messages tab located in the Family section is selected. This displays any district or school notices for parents and students.

The screenshot shows the 'Switch Student' dropdown menu open. The menu lists the following students: Emily N. Kommer, Jarred L. Kommer, Jessica Kommer, Mallory S. Kommer, Marylou R. Kommer, and Riley L. Kommer. The background shows the 'Family' and 'Messages' sections of the navigation pane.

Use the **Switch Student** drop down in the top left of the screen to view all of the students a user has rights to view and select a student to view Portal information for that student only. Only students with an enrollment in the current year or an enrollment next year will display in the list.

When signed in as a parent, the **Family** and **User Account** navigation panes appear on the left side of the screen.

When a student is selected in the **Switch Student** option, an information section specific to that student will appear above the Family section in the navigation pane. The tabs in the Family section apply to all students to which that user has rights. For example, when accessing the **Calendar** tab from the Family section, a calendar will display assignments, day events and attendance for all of the students, whereas when accessing the **Calendar** tab from the student section, only information specific to that student will appear on the calendar.

This tab details the demographics information of the household, such as address, email, phone and a list of other members of the household. The household's physical and mailing addresses and all individuals designated as part of that household are viewable. Upon clicking an individual's email address, an email addressed to that person will open in the current user's preferred email program. The household is based on the relationships established between students, guardians and siblings. This definition fits the traditional family model as well as other organizations, such as a student who belongs to two different households. If any of the information listed on the family members tab is incorrect please contact your child's school.

Using the **Attendance** tab, parents can monitor student attendance using a variety of summary options. The attendance information displayed on the portal occurs in real time as the teacher or building attendance clerk enters absent and tardy designations. Attendance tab displays for the selected student. The **Calendar** allows parents to quickly view attendance for each month. Clicking the black circled arrow allows parents to view each month in the current school calendar. Today is outlined in blue. All instructional days are selectable. Non-instructional days are grayed out and cannot be selected. Attendance events display in color according to the legend beneath the calendar. Selecting a colored day in the calendar displays the details in a pop up window. A set of four tabs allows a user to view attendance information by Course, by Period, by Day and by Term.
