This week, we are learning to write and solve equations using addition, subtraction, multiplication, and division. They will need a basic calculator from now until the end of the year. They will be able to use it on tests, quizzes, and homework.

Social Studies

Ms. Andrews:

We are working to complete the government portion of our unit this week. Students will take a brief history quiz Tuesday. We are practicing note-taking this week. In addition, students will complete a comprehension check for the government of Canada and begin their performance task for the unit. Students will have a unit test next Friday, February 18.

Science

Mr. Baus

We took our Unit 2 test today. Students may still be working on it. They can work on finishing the test over the weekend. On Monday we begin Unit 3. This unit will be over water and the role it plays in our world.

Assignments will be posted on Google Classroom for any missing students. If you have any questions about grades or assignments please let me know so we can set up a plan to make up or correct any work.

English

Ms. Justice's and Ms. McBride's class:

This week, the students will continue working on their Selfie essays in class. Ms. Justice and Ms. McBride are here to guide their writing along the way. Please encourage your child to take advantage of this learning opportunity as this is worth 60% of their overall grade. In addition, they will be taking the Unit 4 Illuminate Assessment on Thursday.

All assignments will be posted in google classroom. Students are encouraged to use the google slides if they did not understand something in class or if they are absent.

** Please encourage your child to read at least 15 minutes a day. This is such an important skill and will be so beneficial for your student.

Reading Support/System 44/Read 180 (Edwards)

- **Materials Needed for Class-**Students **MUST** bring **earbuds/headphones** to class everyday. Due to Covid protocols, classroom headphones will no longer be available. If you have any concerns, please let me know as soon as possible. Students **MUST** have a **pen or pencil** to write with along with a **Composition Notebook**.
- **Student App-**Students **MUST** complete 15 to 20 minutes of their System 44 or Read 180 app in class daily. Students must complete a minimum of 60 minutes per week for a practice work grade. Any minutes over the 60 minutes will be counted as extra credit. The app is only available during school hours.
- **Independent Reading-**Students **MUST** read 10 books, e-books, or e-reads and complete the corresponding quiz and pass with a grade of 70 or above. System 44 students can select books related to their topic in the app or by Lexile. For every book they read they must complete a reading log, and then take a quiz on that book. Read 180 students will complete a Quick-Write after they finish their book or e-read and then they will complete a quiz. If students make below 70, they will be allowed to retake the quiz. These quiz grades will be recorded in Infinite Campus.
- **ReadWorks-**We use ReadWorks passages every week in class. Please remind students to complete all ReadWorks passages. The link for each passage is located in Google Classroom. So far, students should have completed the passage called **"Why We Don't See Stars in the Daytime."**
- **Missing Work-**Please continue to remind students to check **Infinite Campus** for missing work and not Google Classroom.
- **Class Procedures-**Please remind students to use the hand signals required in class. Holding up 1 finger means that a student needs to speak to a neighbor, 2 fingers for students mean that they need to get out of their seat to somewhere inside the room, 3 fingers means that students need to sharpen their pencil, 4 fingers means that a student needs to ask the teacher a question. When the teacher raises up 2 fingers and says "2", this means that the teacher is asking for silence. When the students need to use the restroom, they will use the sign for "R". These signals are posted in the classroom above the board.

BEHAVIOR CONCERNS

1) Charged Chromebooks

We are having increasing issues with students coming to school without their Chromebooks charged and ready for class.

Most classrooms were provided with 2 chargers but those are starting to fail or disappear.

Even though some students are bringing their own chargers to school we have very limited outlets.

If a student's Chromebook is not charged for class, they will receive a step if they are not able to complete their assignment for the day.

If your student has lost their charger you will need to replace their charger. The link for My School Bucks is provided.

If your student's charger is no longer working, you can return it to the school for a replacement.

Chromebook Power Cord - Purchase [Here](#).

- With this [link](#) they will have to have or create a My School Bucks acct.

2) Playing Games/ Off Task

We are having an increasing number of students playing games or searching online during class. We have sent numerous screen shots from Go Guardian to parents this week. Students have been warned and warned.

(This is a huge contributing factor to the computers needing to be charged.)

Beginning Monday, students on gaming sites or on a site other than their assignment will receive a step for being off task.

3) Unauthorized /Unassigned Seat

We are required to maintain a seating chart for administration for numerous reasons but mainly for contact tracing. We also use seating charts for attendance purposes. A small handful of students do not understand the necessity of a seating chart and move around constantly.

Students not sitting in their seat will be given a step.

4) INSUBORDINATION

Students will receive steps for not doing what is asked when it comes to follow school rules and procedures.

If you have any questions, please let us know.

Congratulations to our Student of the Month and our Citizen of the Month!
