As you scroll down, you'll see a box on the right-hand side that says.... **What to do if your child has a Technology Issue?** Click on the box and that will take you to the Google Form. When you fill out the form please provide a phone number where Ms. Martin can contact you. **Parents will be allowed to bring in or pick-up Chromebooks for repair etc. by appointment only on Mondays and Thursdays only from 9:00am-11:45am.** If you need to order replacement carrying cases due to damages such as broken zippers, handles etc. you can also include that on the Google Form. Social Studies

Ms. Andrews:

Welcome to 2022! We started our new year in Canada. This week we covered our political and physical features of Canada. We did this by labeling a map and practicing where to find them on a map. Your child should have completed their maps this week for their first grade in 2nd semester. We ended our week looking at where Canada is located and how this impacts climate, natural resources, and where people live in Canada. Next week, we will finish this section and start looking at environmental issues that Canada faces.

SHOUTOUT TO HAYLEE PRICE! She handled adversity this week with kindness and respect.

Science

Ms. Baus

We took our Unit 2 test today. Students may still be working on it. They can work on finishing the test over the weekend. On Monday we begin Unit 3. This unit will be over water and the role it plays in our world.

Assignments will be posted on Google Classroom for any missing students. If you have any questions about grades or assignments please let me know so we can set up a plan to make up or correct any work.

English

Ms. Justice's and Ms. McBride's class:

Happy 2022! Let's get ready for a fresh start! This week we will be continuing with our argumentative writing unit. The students will be using the information that they have learned last semester and apply them to this week's lesson.

We will also be visiting the school's library on January 18th. Students are strongly encouraged to return any books that they have previously checked out. They can also check out a new book of their choice.

All assignments will be posted in google classroom. Students are encouraged to use the google slides if they did not understand something in class or if they are absent.

** Please encourage your child to read at least 15 minutes a day. This is such an important skill and will be so beneficial for your student.

Reading Support/System 44/Read 180 (Edwards)

- **Materials Needed for Class**-Students **MUST** bring **earbuds/headphones** to class everyday. Due to Covid protocols, classroom headphones will no longer be available. If you have any concerns, please let me know as soon as possible. Students **MUST** have a **pen or pencil** to write with along with a **Composition Notebook**.
- **Student App**-Students **MUST** complete 15 to 20 minutes of their System 44 or Read 180 app in class daily. Students must complete a minimum of 60 minutes per week for a practice work grade. Any minutes over the 60 minutes will be counted as extra credit. The app is only available during school hours.
- **Independent Reading**-Students **MUST** read 10 books, e-books, or e-reads and complete the corresponding quiz and pass with a grade of 70 or above. System 44 students can select books related to their topic in the app or by Lexile. For every book they read they must complete a reading log, and then take a quiz on that book. Read 180 students will complete a Quick-Write after they finish their book or e-read and then they will complete a quiz. If students make below 70, they will be allowed to retake the quiz. These quiz grades will be recorded in Infinite Campus.
- **ReadWorks**-We use ReadWorks passages every week in class. Please remind students to complete all ReadWorks passages. The link for each passage is located in Google Classroom.
- **Missing Work**-Please continue to remind students to check **Infinite Campus** for missing work and not Google Classroom.
- **Class Procedures**-Please remind students to use the hand signals required in class. Holding up 1 finger means that a student needs to speak to a neighbor, 2 fingers for students mean that they need to get out of their seat to somewhere inside the room, 3 fingers means that students need to sharpen their pencil, 4 fingers means that a student needs to ask the teacher a question. When the teacher raises up 2 fingers and says "2", this means that the teacher is asking for silence. When the students need to use the restroom, they will use the sign for "R". These signals are posted in the classroom above the board.
