****Students should have homework for at least 3 days next week.****

All Students need a Basic Calculator.

Mrs. Christian's Small Group Class: We are finishing volume this week and we took the Spring MAP Assessment last week. The kids will be working on their Performance Task for Unit 6 this week. It is a Unit Test grade, so it can make or break their grade. Please make sure they complete it. Some have still not completed the Unit 5 Performance Task- Cooperstown, in Illuminate. I did the whole thing with them in class. Grades closed for the 9 weeks on Friday, March 18.

Please check your student's infinite campus and make sure there are no missing assignments.

Social Studies

Ms. Andrews:

Next week, we will conclude our unit on Australia Geography. This was a small unit and very little standards. Students spent last week learning the places on the map they were required to know. They will study location, climate, natural resources, and where people live in Australia this week.

Science

Mr. Baus

We took our Unit 2 test today. Students may still be working on it. They can work on finishing the test over the weekend. On Monday we begin Unit 3. This unit will be over water and the role it plays in our world.

Assignments will be posted on Google Classroom for any missing students. If you have any questions about grades or assignments please let me know so we can set up a plan to make up or correct any work.

English

Ms. Justice's and Ms. McBride's class:

This week, we will conclude our informational writing unit. Students are required to write a four paragraph informational essay. They will also be taking the Unit 5 Illuminate test.

All assignments will be posted in google classroom. Students are encouraged to use the google slides if they did not understand something in class or if they are absent. Students need to be continually checking Infinite Campus for missing assignments.

** Please encourage your child to read at least 15 minutes a day. This is such an important skill and will be so beneficial for your student.

BEHAVIOR CONCERNS

1) Charged Chromebooks

We are having increasing issues with students coming to school without their Chromebooks charged and ready for class.

Most classrooms were provided with 2 chargers but those are starting to fail or disappear.

Even though some students are bringing their own chargers to school we have very limited outlets.

If a student’s Chromebook is not charged for class, they will receive a step if they are not able to complete their assignment for the day.

If your student has lost their charger you will need to replace their charger. The link for My School Bucks is provided.

If your student’s charger is no longer working, you can return it to the school for a replacement.

Chromebook Power Cord - Purchase [Here](#).

- **With this [link](#) they will have to have or create a My School Bucks acct.**

2) Playing Games/ Off Task

We are having an increasing number of students playing games or searching online during class. We have sent numerous screen shots from Go Guardian to parents this week. Students have been warned and warned.

(This is a huge contributing factor to the computers needing to be charged.)

Beginning Monday, students on gaming sites or on a site other than their assignment will receive a step for being off task.

3) Unauthorized /Unassigned Seat

We are required to maintain a seating chart for administration for numerous reasons but mainly for contact tracing. We also use seating charts for attendance purposes. A

small handful of students do not understand the necessity of a seating chart and move around constantly.

Students not sitting in their seat will be given a step.

4) INSUBORDINATION

Students will receive steps for not doing what is asked when it comes to following school rules and procedures.

5) Students have been bringing rubber bands to school. These are usually the ones kids use to create jewelry. However, they are being used to pop other students with, and they are being left on the classroom floors. These are not allowed at school. Students who do pop other students with them, will receive a referral to the office.

If you have any questions, please let us know.

Congratulations to our Student of the Month and our Citizen of the Month!
