Social Studies

Ms. Andrews:

All missing/late/redo assignments are due this Friday, December 17. We have completed all course work for first semester. We will use this week to catch up on missing assignments and to prepare for our final. Students will receive their study guides, Monday, December 13. They will have a paper copy of the study guide, electronic copy, and several games codes to practice with. If you have any questions, please let me know.

Science

Ms. Baus

We took our Unit 2 test today. Students may still be working on it. They can work on finishing the test over the weekend. On Monday we begin Unit 3. This unit will be over water and the role it plays in our world.

Assignments will be posted on Google Classroom for any missing students. If you have any questions about grades or assignments please let me know so we can set up a plan to make up or correct any work.

English

Ms. Justice's and Ms. McBride's class:

This week, we will be reviewing for our ELA semester exam. A copy of the study guide has been posted in Google classroom. A paper copy of the study guide is available upon request.

The first semester ends in a few days. The students may use the next couple of days to complete all missing assignments. Please check Infinite Campus for all missing assignments and complete them ASAP!

All assignments will be posted in google classroom. Students are encouraged to use the google slides if they did not understand something in class or if they are absent.

** Please encourage your child to read at least 15 minutes a day. This is such an important skill and will be so beneficial for your student.

Reading Support/System 44/Read 180 (Edwards)

- **Headphones**-Students **MUST** bring earbuds/headphones to class everyday.
- **Student App**-Students **MUST** complete 20 minutes of their System 44 or Read 180 app in class daily. Students must complete a minimum of 60 minutes per week for a practice work grade. Any minutes over the 60 minutes will be counted as extra credit. The app is only available
- **Independent Reading**-We have begun to work on our independent reading station. System 44 students can select books related to their topic in the app or by Lexile. For every book they read they must complete a reading log, and then take a quiz on that book. They must pass with a 70 or above. If they make below 70, they will be allowed to retake the quiz. Read 180 students will also be expected to read a book or e-read based on their Lexile score, complete a QuickWrite, and then take a quiz. These quiz grades will be recorded in Infinite Campus.
- **ReadWorks**-We use ReadWorks passages every week in class. Please remind students to complete all ReadWorks passages. The link for each passage is located in Google Classroom.
- **Missing Work**-Please continue to remind students to check **Infinite Campus** for missing work and not Google Classroom.
- **Class Procedures**-Please remind students to use the hand signals required in class. Holding up 1 finger means that a student needs to speak to a neighbor, 2 fingers for students mean that they need to get out of their seat to

somewhere inside the room, 3 fingers means that students need to sharpen their pencil, 4 fingers means that a student needs to ask the teacher a question. When the teacher raises up 2 fingers and says “2”, this means that the teacher is asking for silence. When the students need to use the restroom, they will use the sign for “R”. These signals are posted in the classroom above the board.
