## on STEM @ Pleasant Grove

### Media Festival

Our Gifted students have been working very diligently these past few weeks focusing on the "T" in STEM. We're very proud of the student-led projects that will represent PGE at the Henry County Media Festival.

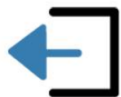

**Good Luck Students!**

### SeaPerch Robotics

Our SeaPerch Robotics Team will be participating in the Atlanta Southern Crescent SeaPerch Competition on March 23 in Newnan, GA.

A HUGE thank you to Mrs. Mitchell and Mr. Pair for working with our team and preparing them for the competition.

### Breakout EDU

It's time for something different in learning.

**Thank you to everyone who came to our January STEM Day. It was a day full of excitement, challenges, and memories. Thank you parents and grandparents!**
