Dear Parents,

Locust Grove Middle School would like to thank you for your continued participation and support of our athletic department. In nine years we have seen our student athletes excel and improve on the athletic fields and in the classroom. While participation in athletics is an option at all of our Henry County middle schools, all athletic activities are extra-curricular in nature. All extra-curricular activities must be financially self-supporting. In other words, each school's athletics program must generate sufficient funds to cover all costs associated with the program. These costs include but are not limited to uniforms, equipment, game security, officials, and any tournament or meet entry fees. In order to help cover the costs of the above expenses, we are requiring everyone that participates in athletics to pay a \$40.00 Athletic Participation Fee. These funds will assist the Athletic Department in paying for these expenses. This fee is separate from any specific sport fees your child may be asked to pay, and is not refundable. Students are required to pay this fee only once per school year no matter how many sports they may participate in.

Sincerely,

Katherine Malcom

Athletic Director
