Subject: ELA & Math

About Me!

This will be my 19 year as an educator. I have five (5) children that all went to Fairview Elementary School and graduated at Eagle's Landing High School. They are all adults and productive citizens. I have one granddaughter. I graduated from Henry County Senior High School, which is currently McDonough High School in McDonough, GA. I love children and learning.

** I believe that ALL children can learn.

Education!

BA - Metropolitan
State College of
Denver (MSCD)

ESE Certification -
University of
Georgia (UGA)

M.Ed - Liberty
University (LU)
