

How to Schedule a Tutoring Session with GATutor

GATutor is a free virtual tutoring option for students provided by the GA Department of Education. Tutoring is available for a variety of courses across the four core content areas (Math, Language Arts, Science, and Social Studies). Sessions can be scheduled Monday – Friday from 4pm-10pm, Saturday from 10am-8pm, and Sunday from 1pm-8pm. The instructions below will outline the process for scheduling a tutoring session, more information about the program can be found at this website: <https://www.gavirtualllearning.org/gatutor>.

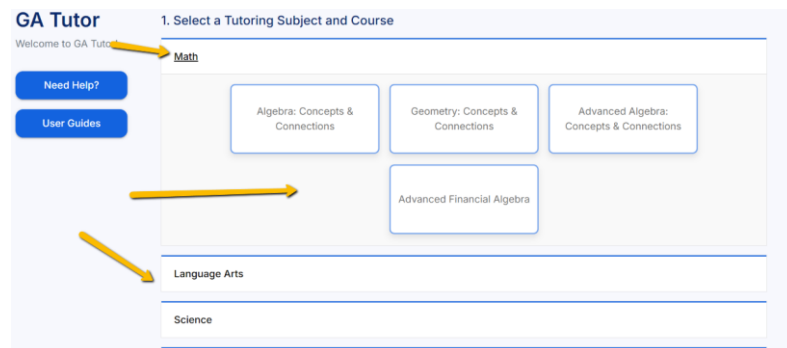

Students will start by logging into their Infinite Campus Student Portal. Once logged in, students will click on the SLDS Portal under the Quick Links.

In the SLDS Portal, students will click on the GA Tutor icon.

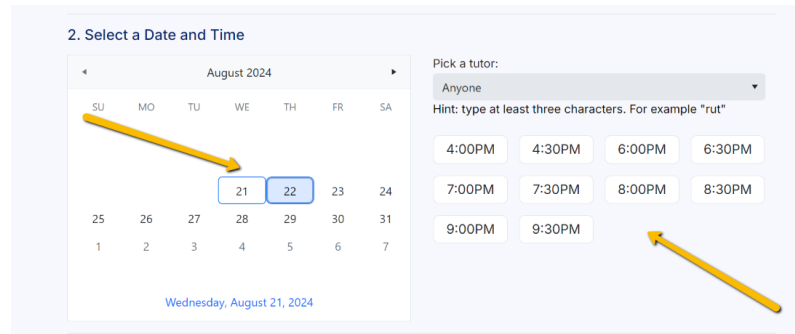

On the next screen, students will be able to choose the subject area and course in which they would like to schedule a tutoring session.

Finally, students will need to describe what they would like to work on during the tutoring session. This will help the tutor to be prepared for the session. Once completed, the student will click on Book and check their email for the tutoring link to join the session.

Selected Course: Algebra: Concepts & Connections

What would you like to work on during your session? Be as specific as possible to allow your tutor to best prepare.

Important notes about scheduling:

- Be sure to include specific details about the focus for your tutoring session.
- Some school district email accounts will not allow receipt of emails from outside organizations. Please use an email address that will receive messages.
- Join the session from the link provided in the email, or from the GaTutor student dashboard.
- Only schedule sessions that you plan to attend!
