All administrators should have access to the Ed: Your Friend in Learning Platform to access a majority of the textbook resources for Core Content areas. The other platforms will not load at this time since administrators do not have rosters assigned in Infinite Campus.

Click on Ed: Core Content Icon

Click on the **drop-down arrow** to select the textbook for the appropriate grade level/subject area you wish to view.

Where is the Content?

Check the Platform name and the content area that can be found
