

FAMILY SERVICES INFORMATION

Family Services provides the following resources to assist families in obtaining required medical forms for new enrollments or items needed for provisionally enrolled students. Families may visit any health department in Georgia, their pediatrician, or other health providers to obtain the necessary immunizations and forms required for enrollment.

Site	Website	Phone
Henry Co. Health Dept.	https://www.district4health.org/locations/henry-county/	1-800-847-4262
