

Taking a Photo and Uploading to Google Classroom On A Chromebook

Click the Camera icon at the bottom of your screen

OR

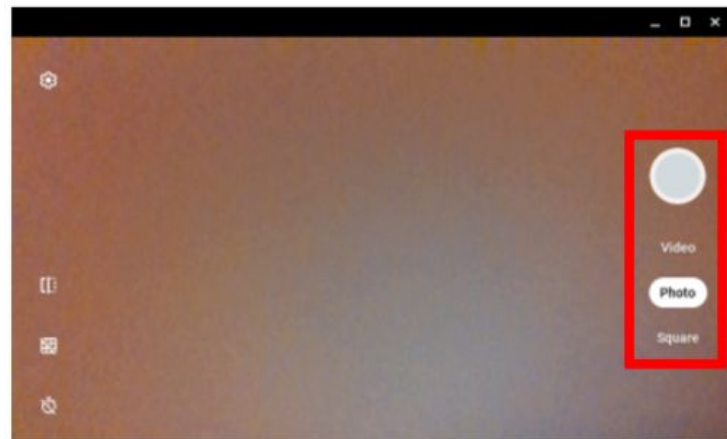

- Click the Circle in the bottom left corner
- Type Camera in the search bar
 - Click the Camera app

Make sure Photo is highlighted on the right side of the app.

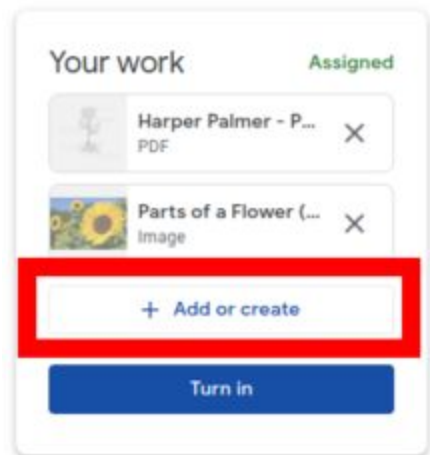

Click the gray circle to snap your photo.

Your photo will automatically save to your files.

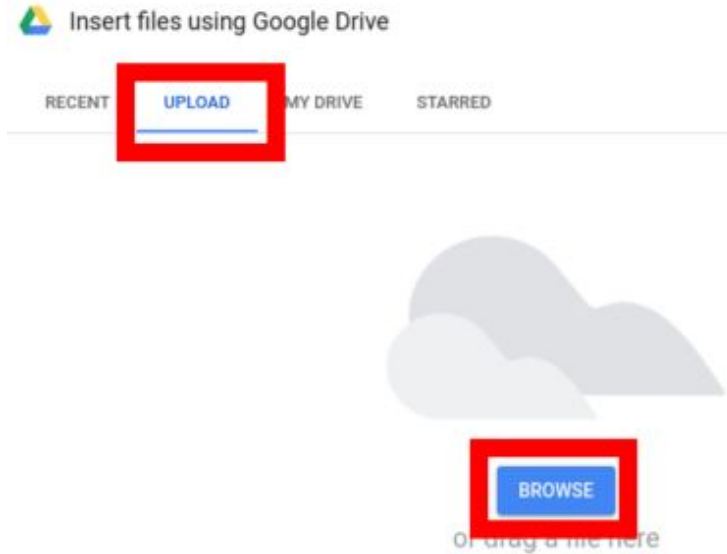

Open Google Classroom and click View Assignment on the assignment where you want to add the photo.

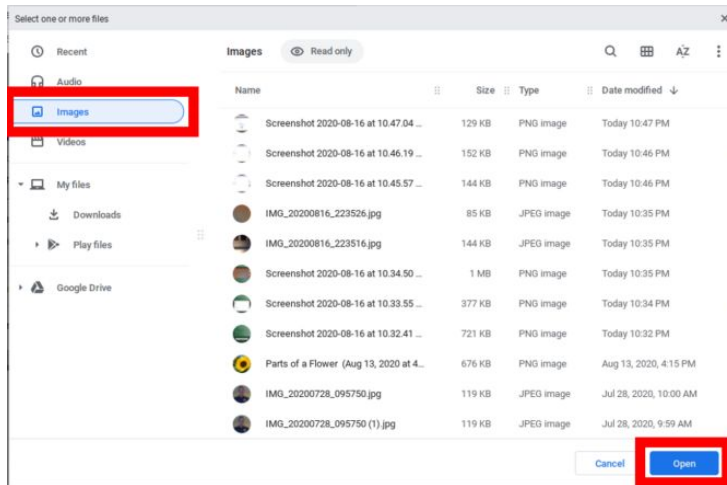

Click the **+Add or create** button on the right side of the screen and choose **File**.

Choose the **Upload** tab then click **Browse**.

Click **Images** from the Menu on the left, click the photo you wish to add then click the **Open** button at the bottom.

Your file will now be added to the assignment in Google Classroom. Click the **Turn In** button once you are ready to send the file to your teacher.
