Conferences can be scheduled via the counselors between 7:45 and 8:15 am

Teaching as a Profession Practicum

The practicum offers a candidate in the Teaching as a Profession career pathway a field experience under the direct supervision of a certified teacher (mentor teacher). The practicum stresses observing, analyzing and classifying activities of the mentor teacher and comparing personal traits with those of successful teachers. The candidate intern will develop a portfolio of their skills, plan and teach a lesson or lessons, understand and practice confidentiality as it pertains to the teaching profession, meet the needs of students with special needs, maintain the safety of the students, practice professionalism, and demonstrate ethical behavior. [Standards](#)

Course Objectives

AAS associates will

- demonstrate industry-recognized employability skills
- model work readiness traits required for success in the workplace including integrity, honesty, accountability, punctuality, time management, and respect for diversity.
- create a portfolio demonstrating knowledge, skills and experiences from the Teaching as a Profession Pathway.
- develop a Teacher Work Sample using Georgia Performance Standards and Common Core Georgia Performance Standards to include learning goals, assessment plans, instruction to meet learning goals, and a reflection of the lesson
- design a child guidance and behavior plan that includes consequences and rewards
