ALL ABOUT ME

Who I am:

- Daughter of loving parents
- Wife
- Mother
- Sister
- Friend
- And a relative of other family members whom I love and adore

Educational Background:

I graduated from Point University. My passion is early childhood education. I am also intrigued by history, human behavior, and psychology. Therefore, in addition to being a certified teacher, I have studied and obtained degrees in biblical studies and human relations.

THESE ARE A FEW OF MY FAVORITE THINGS..

Although I love thoughtful, tangible gifts of any kind or color, when I think of my favorite things, what comes to mind is reading a good book and enjoying outdoor activities with family and friends. Some of these activities include:

- Festivals
- Concerts
