Course Policies and Information for Students

INCLUSIVE LEARNING ENVIRONMENT STATEMENT

The best learning environment—whether in the classroom, studio, laboratory, or fieldwork site—is one in which all members feel respected while being productively challenged. At Stockbridge High School, we are dedicated to fostering an inclusive atmosphere, in which all participants can contribute, explore, and challenge their own ideas as well as those of others. Every participant has an active responsibility to foster a climate of intellectual stimulation, openness, and respect for diverse perspectives, questions, personal backgrounds, abilities, and experiences, although instructors bear primary responsibility for its maintenance.

A range of resources is available to those who perceive a learning environment as lacking inclusivity, as defined in the preceding paragraph. If possible, we encourage students to speak directly with their instructor about any suggestions or concerns they have regarding a particular instructional space or situation. Alternatively, students may bring concerns to another trusted advisor or administrator (such as an academic advisor, mentor, department chair, or administrator). All classroom participants—including faculty, staff, and students—who observe a bias incident affecting a student may also file a report (whether personally or anonymously).

1. ATTENDANCE POLICY

Attendance will be taken during a 1st period homeroom every day. Students should be in class when the tardy bell rings or risk being marked tardy to class.

Students who have more than five (5) days of unexcused absences during the school year will be considered truant. The legal penalties for truancy include referral of students to Juvenile Court and referral of parents to State Court. Any Georgia resident who has control or charge of a child who is convicted of violating mandatory school attendance requirements will be subject to a fine of not less than \$25.00 and not more than \$100.00, imprisonment not to exceed 30 days, community service, or any combination of such penalties per absence.

2. PENALTIES FOR LATE WORK & POLICIES ON MISSED EXAMS, MAKE-UP EXAMS OR QUIZZES

It is the student's and parent's responsibility, not the teachers', to arrange for make-up work. Students should ask their teacher for any missed assignments on the first day they return to school. The number of days allowed to complete make-up work will be determined by the principal or his/her designee. The days allowed to make up work will not exceed the number of days absent except under extenuating circumstances approved by the principal or his/her designee. Students assigned Out-of-School Suspension (OSS) will be allowed to make up work upon return to school. The number of days to

Stockbridge High School Syllabus

complete make-up work is commensurate to the number of days of OSS (i.e., 3 days of Out-of-School Suspension = 3 days to make up work missed)

3. REGRADING POLICY

***Regrading* is NOT available in any of the Theatre Arts classes. Once work is submitted, the work given will be graded.**

4. REQUESTS FOR INSTRUCTOR FEEDBACK ON DRAFTS AND REQUESTS TO REVISE

Feedback on grade will be given in Google Classroom.

5. TECHNOLOGY POLICIES:

Misuse of Electronic Communication Devices: Unauthorized possession, displaying or using a cell phone, pager, or other electronic communication device during the school day without the consent of the principal or his/her designee.

6. ETHICS/VIOLATIONS OF ACADEMIC INTEGRITY: Coursework submitted by a student must be the student's own, original work. Students shall not cheat on any assignment by giving or receiving unauthorized assistance or commit the act of plagiarism. Students who commit such acts are subject to not receiving credit on the assignment in question and will be subject to disciplinary action as well.

- Always cite your sources when presenting ideas and/or language you have not developed, including material from class lectures and discussions.
- Violation of this policy includes collaborating on assignments where collaboration is not allowed and/or utilizing notes, texts, etc., on any assignment where such materials are not allowed.

Resources for Students

All additional resources for Students will be under the Welcome Unit or Resource Unit in Google Classroom.

Disclaimer

The instructor reserves the right to make modifications to this information throughout the semester.

Parent-Teacher Contact

- The teacher should always be the first point of contact for a parent. The quickest way to contact your child's teacher is through email. Teachers are required to respond to parent emails within 24 hours.
- In order to be informed of your child's progress on assignments always check Infinite Campus.

Another way to check your child's progress is through Google Classroom. Be sure to have your child's teacher to enroll you in Google Classroom notifications that are sent to your email.
