Central Ideas
Author's Purpose

Science

Classifying Living Things

Social Studies

Turn of the Century

LEARNING IN 5TH GRADE!

REMINDERS

Download the Infinite Campus app to keep track of your 5th graders academic progress.

HOMework

PRIORITIZE HOMEWORK

Please priority a time for HOMEWORK! 5th Grade is heavy in content. Prioritizing is important because it ensures that students don't feel overwhelmed with school work. We want our kiddos to make steady progress.

BEANSTACK

5th Grade students must log their nightly reading in Beanstack. The first challenge is due August 29th. Readers should have 500 minutes logged in their accounts. Mrs. French will run the report for us.

HOMework

1. **Pass** three Read Theory quizzes daily. Ask your 5th grader to show you their quizzes in their account. It will show you're their reading level and their grades.
2. **Complete** Daily Language Review. Resources are in Google Classroom. They can also use their Google Search.
3. **Finish** any incomplete work from our school day.
4. **Read** 30 minutes and **log it** in Beanstack. Ask your 5th grader to show you their Beanstack account. Look to see if they have logged at least 30 minutes for the day.
5. **Practice** Multiplication Facts using flashcards or links in Google Classroom. The goal is to solve 80 facts in 2 minutes.
6. Study Science and/or Social Studies. Resources are in Google Classroom and in their binder.
7. **Charge** Chromebook daily.

REMINDERS

- Thursday Folders went home last week FILLED with flyers. Be sure to read through everything. Some things are date sensitive.
