@RSE Young Minds Bloom

# Learning in 5<sup>th</sup> Grade!

## **CURRICULUM FOCUS**

### **Math**

Volume  
Multiplying Fluently

### **Reading**

Summarizing  
Central Ideas  
Author's Purpose

### **Science**

Classifying Living Things

### **Social Studies**

Turn of the Century

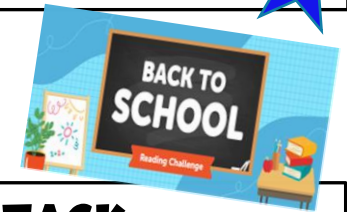

## **HOMEWORK**

1. Finish any incomplete work from our school day.
2. Work on Multiplication Facts using flashcards or links in Google Classroom. The goal is to solve 80 facts in 2 minutes.
3. Read 30 minutes and log it in Beanstack
4. Charge your Chromebook

Please priority a time for HOMEWORK! 5<sup>th</sup> Grade is heavy in content. Prioritizing is important because it ensures that students don't feel overwhelmed with school work. We want our kiddos to make steady progress.

## **REMINDERS**

Download the Infinite Campus app to keep track of your 5<sup>th</sup> graders academic progress.

## **BEANSTACK**

5<sup>th</sup> Grade students must log their nightly reading in Beanstack. The first challenge is due August 29<sup>th</sup>. Readers should have 500 minutes logged in their accounts. Mrs. French will run the report for us.

## MARK YOUR CALENDAR

**Mondays** – Lunch Visitation Day for 5<sup>th</sup> Grade  
**AUGUST**

- 7<sup>th</sup> – Fire Drill (safety protocol)
- 8<sup>h</sup> – Thursday Folder

## WISH LIST

Thank you for purchasing supplies for your kiddo and making classroom donations! I am truly thankful for your support!

## THANK YOU

We're off to a great start! I want to thank you in advance for your help and support this year!

GRATEFUL
