HOMWORK

1. Pass three Read Theory quizzes daily. Ask your 5th grader to show you their quizzes in their account. It will show you're their reading level and their grades.
2. Finish any incomplete work from our school day.
3. Read at least 20 minutes and log it in Beanstack. Ask your 5th grader to show you their Beanstack account. Look to see if they have logged at least 30 minutes for the day.
4. Practice Multiplication Facts using flashcards or links in Google Classroom. The goal is to solve 80 facts in 2 minutes.
5. Study Science and/or Social Studies. Resources are in Google Classroom and in their binder.
6. Charge Chromebook daily.
