December 2024

Fairview Elementary

From First Grade Team,

Welcome to December! As we conclude the first semester of First Grade, we are so proud of our scholars' accomplishments.

Our scholars are meeting their Amira goals, learning how to find the missing number in equations, and completing a project!

Learning for this month

Reading/Writing

We will continue finding details to support the main idea of a text, learn about compound sentences, and write narrative pieces.

Math

We will conclude Unit 2 which covered tally charts, unknown number equations, and fact families.

Science

We will continue to learn about magnets and their properties.

Social Studies

We will conclude our unit on historical figures and their contributions to our lives today.

Helpful Tips

- Read nightly for at least 30 minutes.
- Ask questions before, during, and after reading
- Practice sight words nightly
- Complete homework nightly
- Use the weekends to take short practice tests.
- Maintain communication with your scholar's teacher for more individualized recommendations
