

WHAT IS A SCHOOL-PARENT COMPACT?

A School-Parent Compact is an agreement that outlines how Birch Creek Elementary School parents/families, school staff, and students share the responsibility of improved academic student achievement. All Title I Schools must develop a School-Parent Compact

JOINTLY DEVELOPED

This School-Parent Compact was jointly developed. The parents, students, staff and faculty worked together to share their ideas, resulting in this School-Parent Compact. All parents received invitations through printed flyers, ClassDojo, Website, and phone calls to provide their input on the 2024-2025 School-Parent Compact.

Please contact the school for additional opportunities to provide your feedback.
