1. Log into your HCS Launchpad with your usual credentials:

2. Find the Infinite Campus app and click on it:

3. On the left hand side, click on "Grades"

4. At the top, click on "T2" since this is the term teachers are saving your grades to:

5. Click on "Cumulative Grade" for the course in which you wish to look at your current:

Intro to Business & Tech A	—
Conduct	
4-1/2 Week Average	
Cumulative Grade	>
Course Final Average	>
EOCT/Exam	
Term Average	

6. You can then click on "Assessment Tasks" and/or "Practice Work" to see a list of all assignments currently in that class's gradebook. Note, some teachers put assignments out there prior to them being due, so pay attention to the due dates.

(T2) Cumulative Grade	
Assessment Tasks Weight: 40	+
Practice Work Weight: 40	+

7. Pay attention to any assignments with the "MISSING" icon beside them. Make sure you are making note of what they are, when they were due, and reaching out to those teachers to ensure you don't miss your two week window of time to turn in late work before it stays a 0!

(T2) Cumulative Grade		47 (46.5%) In-progress
Practice Work Weight: 40		(46.5%) —
Motion graphs and speed edpuzzle Multiplier: 0.5	Due: 08/28/2020	93/100 (93%) >
Get to Know Me Multiplier: 0.5	Due: 08/21/2020 MISSING	0/100 (0%) >
