

Support your answer using **Text Evidence**

The text states, _____ that..... • in document #3 • on page 5 • in paragraph #2 • in line 36	My inference is that the colonists were dying of starvation because the text states in paragraph #2 that the settlers were images of skeletons.
According to _____ • document #3 • page 5 • paragraph #2 • line 36	According to Amendment II in document #3, citizens have the right to bear arms.
The author states....	The Road to Revolution was necessary. I know this because the author states that many economic sanctions were placed upon the colonists.
<u>Support your answer/inference using evidence from:</u> Primary/Secondary Sources Song Lyrics / Video Pictures	
Questions to ask regarding your EVIDENCE...	• Is my evidence valid? • Is my evidence relevant? • Is my evidence sufficient?

* If the name of the document is known use the name of the document in place of stating 'in document #3'
