The screenshot shows the 'Sign Up' form on the MySchoolBucks website. At the top, it says 'Sign Up' in blue. Below that is a search prompt: 'Search for your district by state or province'. There are two dropdown menus: 'Choose Your State' and 'Choose Your District', both with a globe icon on the left and a downward arrow on the right. Below these are two text input fields for 'First Name' and 'Last Name', each with a person icon on the left. At the bottom, there is a section for 'Mobile Phone Number' with a text input field and a note: 'Enter your mobile phone number and check the Allow MySchoolBucks to send me text alerts at my request box to receive important account information (e.g. password reset) via text message.'

Then click [Continue to Add A Student](#) and choose your child's school from the drop-down. Fill in the remaining information and click Find Student.

You will end up on the MySchoolBucks landing page.
