Assistant Principal

Beatrice Holmes
Assistant Principal

July 25, 2023

Dear Students, Families, Staff, and Community Members,

I am humbled and honored to introduce myself as the newly appointed principal of Rock Spring Elementary School. I feel incredibly privileged to lead a school that has a legacy of success, an engaged and committed community, and many points of pride. I share Rock Spring's commitment to reaching each student every day to exceed standards, and I am excited to begin working together!

I have served as an educator for over twenty-five years as a teacher, instructional coach, elementary school assistant principal, and most recently as the Director of Professional Development and Resources for Henry County Schools. I attended Kent State University where I earned my bachelor's degree in Anthropology. From there, I went on to earn a master's degree in Science Education from Georgia State University and a specialist's degree in Educational Leadership from Mercer University. My husband Brian and I reside in the Ola community with our two rescues, Brando and Riley. As a family we enjoy biking, cooking, and traveling.

I truly believe that ALL students have the potential to learn and achieve at high levels. As your principal, I am committed to ensuring that our children continue to receive a quality education in an academically rich, instructionally engaging, and nurturing learning environment that supports this belief. In doing so, we will continue to ignite a passion for learning that will last a lifetime!

As we begin the school year, please know that my door is always open to you, and I sincerely welcome your input and support. It is a great time to be a roadrunner, and I look forward to us collectively using our "speed, intelligence, and courage" to ensure the success of EVERY student in our school!

Sincerely,

Julie Mosley, Ed.S.
Principal, Rock Spring Elementary School
