wanna stay fit?
gotta eat right!

While we're on the subject of fiber, it's worth noting that the star of many Thanksgiving dinners -- roast turkey -- contains no fiber at all. But that's OK! Turkey is a low-fat, low-calorie source of high-quality protein, worthy of your plate any day of the year! Just don't go too crazy with the gravy on Thanksgiving or with the mayo when you're eating the leftovers on a sandwich. And look for other good sources of fiber on the holiday table: broccoli, carrots, sweet potatoes, and even cranberry sauce and pumpkin pie are all good fiber sources, although, as always, watch the sweet stuff.
