LEADING MAN

The first Oscar awards for the best movies and film performances were given out in 1929, but it wasn't until 1964 that an African-American Man (Sidney Poitier, pictured here) won the award for best actor. Poitier grew up very poor in the Bahamas before moving to Miami as a teenager and then to New York. In 2009, President Barack Obama awarded him the Presidential Medal of Freedom, the highest civilian honor in the U.S. Poitier died last month at the age of 94.

HAPPY VALENTINE'S DAY!

FEBRUARY 14

LOVE.

Valentine's Day on February 14th is traditionally the "love" holiday. And if the last two years have taught us anything, it's the importance of that emotion, not just for one day, but all year round. With all of the loss and disruption we've all endured, let's hope we've learned that our routines and plans and expectations are fragile. Life is fragile. But love is strong. And love endures. We want you to know that we love our customers, and we encourage you to tell the people who are important to you that you love them, too!

THE SIMPLE TRUTH.

This is a model for a complex carbohydrate molecule. Pretty complex, huh? "Complex" carbs, found in fresh fruits, vegetables, whole grains and rice, nuts, seeds, and beans come from nature. "Simple" carbs, like the sugars in soda and candy, are most often refined in a factory. Can you guess which ones are healthier for you?

EAT BETTER. PLAY HARDER. LIVE HEALTHIER. LEARN EASIER.
WELLNESS IS A WAY OF LIFE!

Supply and demand.

We're trying to continue to operate as close to our pre-pandemic level as possible. But, like the restaurant and food service sector generally, we're facing unprecedented supply chain challenges. Sometimes we may have to substitute an item at the last minute to give our customers the best, freshest options available that day. We thank our parents and kids in advance for your on-going understanding of this situation!
