Menus for January 2022

This institution is an equal opportunity provider. Menus are subject to change.

Supply and demand.

We're trying to continue to operate as close to our pre-pandemic level as possible. But, like the restaurant and food service sector generally, we're facing unprecedented supply chain challenges. Sometimes we may have to substitute an item at the last minute to give our customers the best, freshest options available that day. We thank our parents and kids in advance for your on-going understanding of this situation!
