★ **OUR NATION'S HISTORY** ★

In 1863, at the height of the Civil War, President Abraham Lincoln proclaimed the last Thursday in November the first official "National Day of Thanksgiving." Lincoln urged his fellow American citizens to help "heal the wounds of the nation" and look forward to "the full enjoyment of peace, harmony, tranquility and Union."

Heroes in APRONS?!

You'll forgive us if we think the folks who work on the front lines of our school nutrition program always make heroic efforts to feed you guys. But that's never been more true than right now. The dedicated men and women who prepare and serve our meals make daily sacrifices so you and all of our community's students can eat well, every day. During this month of giving thanks, please join us in showing your appreciation for the work they do. And in an apron, no less!
