Dream Maker Kids “Picture the Possibilities” - Career Vision Posters

Woodland Elementary School’s College and Career Week is March 27 – March 31, 2023. We are excited to offer your child the opportunity to create his/her very own *Career Vision Poster*!

Creating a *Career Vision Poster* is a fun and creative way for students to explore their dreams, aspirations, and goals. It is an excellent way to inspire and motivate young minds to think about their future careers and visualize what they want to achieve in life. We encourage all parents to take advantage of this opportunity by encouraging your child to participate. This activity is not only fun, but also beneficial to your child's growth and development. You can also help your child by guiding them through the process and asking them questions about what they want to achieve in life.

To participate, all you need to do is:

- Assist your child in selecting a career by checking off one of the options on the order form
- If you do not see your preferred choice of career, write it in, dress your child accordingly, and Dream Maker Kids will do the rest by providing your child with the necessary props.
- Turn in the order form and the \$20.00 cash payment by Monday, March 27, 2023.

This photo session will occur Tuesday, March 28, 2023. We look forward to seeing your child's Career Vision Poster and hope that this activity will inspire them to dream big and work hard to achieve their goals. If you have any questions, please contact the school counselors, Ms. Miller at ciara.miller@henry.k12.ga.us or Mrs. Kelsey at bridget.kelsey@henry.k12.ga.us.

Sincerely,

Ciara Miller, Pre-K – 3rd Grade School Counselor

Bridget Kelsey, 4th & 5th Grade School Counselor
