

Welcome Students and Parents to OLA Team 702

Mr. Albaugh - Math

Ms. Dobbs - Life Science

Mr. Nello (Carmichael) World Studies

Ms. Zakrewski - English-Language Arts

**feat:*

Ms. Sarah Griffis - Math

Ms. B. Anderson - Life Science

Mr. Randy Quincey - World Studies

*Check your schedule for your content teacher.

Email

- How to find your teacher's email.
 - Go to the OMS website and click on faculty/staff. You will find a listing of all teachers. By clicking on a name, you will be taken to their website. An email address can be found on the site
 - Your teacher will also post their website on Google Classroom
 - Students, go to Office 365 (email) from your Launchpad. Click "New Message". Once you have begun a message in a new window, you can click on the blue "To". You can search by name. Be sure to click the blue "Save" at the bottom of the screen. This will automatically insert their email address into the "To" field.

Schoolwires and Syllabi

- How to get to your teacher's school webpage
 - Please go to the [OMS website](#) and click on faculty/staff. Once you see the list of all staff, you can choose your teacher by clicking on their name. You will find their email address, needed supplies and any other important information.
- Where to find your class syllabi (plural form of syllabus)
 - A course syllabus can be found on your teacher's website as well as on Google Classroom

THE SYLLABUS

•Joining Google Classroom is for enrolled students only. Your classes will show up in Google Classroom by the first day of class

•Remote Classroom Expectations

- Be on time to each of your classes. We will be using Google Meets to have live instruction daily.
- Remember to begin each class with your microphone muted
- Be respectful of other students and try to stay on topic
- Find a quiet to place to work where you can participate in class without disruptions
- Make sure your device is charged

Mandatory Attendance: Attendance will be taken daily during your teacher's Google Meet. Make sure that you are signed in on time so that your teachers can mark you present for each of your classes. Sign in each day as, while we are operating online, unexcused absences will count against your attendance.

Etiquette video link

Assignments

- How to locate assignments
 - All assignments will be posted in Google Classroom
 - Get in the habit of checking daily and attending class regularly
- How often assignments will be posted
 - Assignments will be posted on the days you have each class. Please refer to the schedule below for the schedule of classes.
 - Your schedule will be found in Infinite Campus as we get closer to the start of school.

Office Hours - Fridays are reserved for Advisory and academic assistance. All students will participate in Social/Emotional Learning through their advisory classes (IF). Attendance will be taken in IF and everyone is expected to attend. If students need extra assistance in a content area, they may attend the designated office hours on Friday to ask for help.
