

A SPECIAL ANNOUNCEMENT  
For  
RISING 4TH GRADERS

ENVIRONMENTAL STUDIES FIELD TRIP!

4th grade students at RSE have the wonderful opportunity to attend an environmental studies field trip to the 4-H center on Jekyll Island. This trip is an excellent way to see our ecology science standards in action! The trip will cost \$320-340. We will have a fundraiser, but it is never too early to start saving!

## How to Prepare

### Read. Read. Read

Excellent learners read for 20 minutes a day.  
Challenge yourself to read a picture book a day or chapter book each week!

### Multiplication Facts

Knowing your multiplication facts fluently is essential to your success in math in 4th grade.

Everything you will do depends on you knowing them well.
