

DUAL ENROLLMENT INFORMATION

January 19, 2023

and our COMMUNITY share

A VISION TO

ensure a
**high-quality,
world-class**
education for
every student.

and a singular

MISSION TO
empower all students with
**exceptional
opportunities**
and **access**
that lead to
success

in a global society.

Unified Governance

An system for educating, led by the Henry County Board of Education

A COMPASS FOR THE FUTURE

CORE BELIEFS | We believe

- Each student can learn at or above grade level and will have an equal opportunity to do so
- Family and community involvement is critical to student success
- All learning environments should be supportive, safe, and secure
- Effective teachers, leaders, and staff, produce excellent results

STRATEGIC ACTIONS | To advance

- And accelerate learning opportunities and experiences for students
- And support effective school leaders and teachers
- Community and stakeholder engagement so that all students, families and employees feel welcomed and valued
- Student and employee health, wellness, and support structures
- A high-performing operational culture

Community-Inspired **2021-2026 Strategic Plan**
Developed by the Henry County Board of Education

CORE POLICIES | BAB, IAB, and IB, call for

- An Aligned System of Teaching & Learning
- A System of Accountability
- A Framework for Continuous Improvement
- A Plan to Advance Opportunities, Access, and Outcomes

PRIORITY OUTCOMES | Every student will be

- Ready for kindergarten
- Ready to read and write at or above grade level each year with a curriculum rich literature and world languages
- Ready for success in advanced coursework at every grade level
- Ready for life with strong soft skills, personal health, and well-being
- Ready for college, career and post-secondary successes with industry certifications, competitive test scores and scholarship awards

In Pursuit of *Exceptional*

Georgia Department of Education

BENEFITS

- ▶ Increases exposure to college-level classes while still in high school
- ▶ Allows students with specific goals (academic or career) greater flexibility to attain those goals
- ▶ May provide an easier transition from high school to college
- ▶ Reduced costs to the student and/or families: covers tuition, mandatory fees, and required textbooks (professor recommended books may not be covered)
- ▶ Students receive both high school and post-secondary credit at the same time

BENEFITS

- ▶ Students can attend multiple colleges/universities, but must not exceed the 15 hours per semester or 12 hours per quarter.
- ▶ Students can participate in any high school extracurricular activity, even if they are full time DE.
- ▶ DE Courses receive extra quality point weight on final grade
- ▶ DE Core Courses meet the Academic Rigor requirement for HOPE.

Dual Enrollment Courses: Part-time or Full-Time

Part-Time

- Fewer than 12 credit hours per semester
- Blend of Dual Enrollment courses at the college and high school courses
- Students are still enrolled at a HCS high school and eligible to participate in sports, extracurricular activities, clubs, and events.

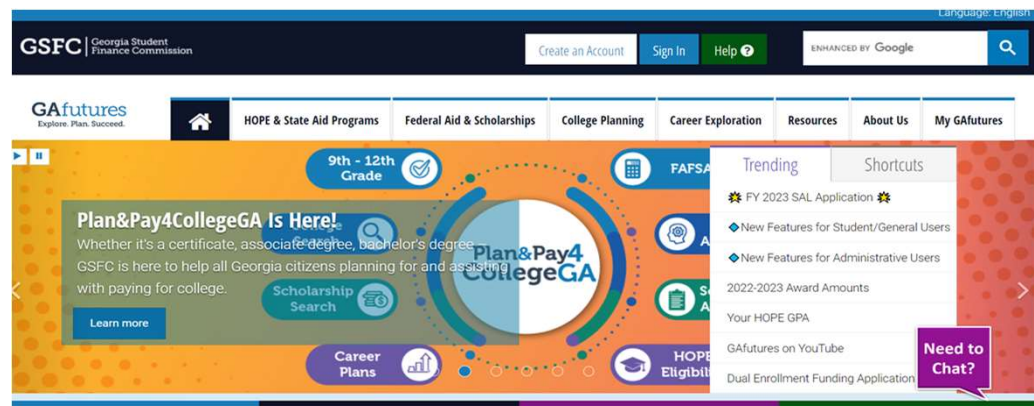

Full Time

- Total of 12-15 credit hours per semester
- Classes are taken on the college/university campus, online or HCS Site and may take high school courses at the high school
- Students are still enrolled at a HCS high school and eligible to participate in sports, extracurricular activities, clubs, and events.

DUAL ENROLLMENT ELIGIBILITY

- ▶ Dual enrollment program allows eligible high school students to earn college credit while working on their high school diploma.
- ▶ The approved course list is available on Gafutures.org for both technical and 4 year colleges and universities.

ELIGIBILITY

(SUMMER 2020 AND BEYOND)

- ▶ **9th Grade-** ineligible
- ▶ **10th Grade**
 - ▶ May enroll in Career, Technical and Agricultural Education (CTAE) courses at a participating TCSG institution only
 - ▶ High Achievers- SAT score of 1200 or an ACT score of 26, prior to the summer 2020, may enroll in any approved Dual Enrollment courses at a TCSG, USG or private eligible participating postsecondary institution.

ELIGIBILITY

(SUMMER 2020 AND BEYOND)

▶ 11th & 12th Grade

- ▶ Must meet post-secondary admission requirements to take any approved Dual Enrollment courses at an eligible USG, TCSG or private institution until they reach their capped number of hours.

How many classes/hours can a student take?

- ▶ Term Cap- 15 hours per semester or 12 hours per quarter
- ▶ DE Students (effective Summer term 2020 & beyond)
 - ▶ Participation and funding is capped at 30 semester or 45 quarter hours
- ▶ High School Graduation Opportunity / Option B / (SB2)
 - ▶ Students designated as SB2 in Spring 2020 will be allotted the hours needed to complete their pathway
 - ▶ All new Option B/SB2 students will be subject to the 30-hour funding cap.
- ▶ Students who have reached the DE funding cap may be eligible for HOPE Grant and HOPE Career Grant Programs at TCSG institutions

ARE YOU READY FOR DE?

- ▶ Consider the following:
 - ▶ Are you eligible to participate in Dual Enrollment?
 - ▶ Are you self-motivated, take initiative?
 - ▶ Are you proactive in completing assignments and studying?
 - ▶ Are you diligent in reporting to class on time?
 - ▶ Are you an independent learner?
 - ▶ Are you able to communicate with your teachers/instructors, independently of your parents?
 - ▶ Are you proactive in keeping up with school events/activities?
 - ▶ Are you able to maintain positive academic behavior while involved in extracurricular activities?

HOW DOES DE WORK?

▶ Information Gathering

- Advisement regarding Dual Enrollment must be provided to all students grades 8-12 regarding DE by February 1st.
- Students in grades 8-11 must complete their Naviance task for Dual Enrollment

▶ Process

- Students must apply and be accepted to the post-secondary institution they wish to attend.
- Students will need to complete an ONLINE DE Funding Application each semester or quarter and Participation Agreement once per year (unless the student changes schools).

HOW DOES DE WORK?

▶ Process

- ▶ Students enrolling in approved DE courses through University System of Georgia (USG) and Technical College System of Georgia (TCSG), or private institutions will not pay any tuition or mandatory fees; books will be provided

- <https://www.gafutures.org/checs/dualenrollment/DECourseDirectory>

- ▶ However, there may be course specific fees, such as lab fees, will still be the responsibility of the student.

HOW DOES DE WORK?

Process

- DE courses do not count toward your HOPE SCHOLARSHIP/ZELL MILLER CAP hours and do not count in the College HOPE eligibility GPA calculations (after a student is enrolled in college) but the DE courses DO count into the High School HOPE GPA calculation and therefore, a student's initial HOPE eligibility when graduating high school and entering college as a college student.
- While you are in high school and creating your HOPE GPA, these DE courses are calculated into your GPA.

HOW DOES DE WORK?

▶ Process

- ▶ Students who have reached the Dual Enrollment Funding Cap may elect to begin using hours from HOPE Grant and HOPE Career Grant Programs.
 - <https://www.gafutures.org/hope-state-aid-programs/hope-zell-miller-grants/hope-grant/>
 - <https://www.gafutures.org/hope-state-aid-programs/hope-zell-miller-grants/hope-career-grant/>
- ▶ Students taking at least 12 semester hours or 15 quarter hours are considered full time DE students and may not need additional classes at their home school (Math has special criteria).
- ▶ Satisfactory academic progress (SAP) at the college is required to continue participating in DE.

WITHDRAWAL & RETAKE POLICIES

- ▶ Students may not receive funding for the same DE course twice. DE courses (passed/ failed/withdrawn) cannot be retaken and receive funding.
- ▶ Grades of W, WD or WF (withdrawal from a course) given at the college will equate to a “F” on the high school transcript.
- ▶ Students become ineligible to continue to receive funding from the program after their 2nd withdrawal.
- ▶ Students who wish to retake a course or continue participating after 2 withdrawals may request an Extenuating Circumstance Exception.

WHEN DO YOU SELF-PAY?

▶ The term in which the student reaches the Funding Cap, the Eligible Postsecondary Institution may charge Tuition and a prorated portion of the Mandatory Fees and book costs, based on credit hours not covered by Dual Enrollment funding.

▶ The Eligible Postsecondary Institution may charge for courses that do not appear on the approved course directory but which the student chooses to enroll: 11th & 12th grade only

▶ A student is ineligible to receive Dual Enrollment funding payment, for courses not specific to their grade level eligibility.

▶ Effective Summer term 2020 (FY2021) and beyond, a student is ineligible to receive Dual Enrollment funding to repeat or retake a course.

▶ If a student officially or unofficially withdraws or drops out prior to the postsecondary institutions' drop/add period, he or she is ineligible to receive Dual Enrollment program funding payment for that school term. Students that drop out during the drop/add period are subject to the provisions in accordance with *Section 1612 of Dual Enrollment Regulations (See 2021-2022 DE Regulations)*.

▶ Student becomes ineligible to continue receiving Dual Enrollment program funding after their second (2nd) course withdrawal from an approved Dual Enrollment course(s), occurring Summer term 2020 or later, regardless of the total Paid Hours or Funding Cap calculation.

Dual Enrollment Self-Pay Guidelines

- A Self Pay Dual Credit Course is a post-secondary course, including a virtual course, taken by an eligible high school student pursuant to an arrangement at or through an eligible postsecondary institution for which, beginning with the 2021-22 school year, the student receives credit from their eligible high school. State Board of Education Dual Enrollment Rules.
- Students who wish to take more than the funded 30 DE courses must self-pay required tuition, fees, books, and any other related expenses. Courses must be chosen from the DE course directory or a list of approved self-pay dual credit courses.
- The parent/student is responsible for tuition and fees for any course taken that is not on the approved DE Course Directory or on the student's DE application. Please communicate with the school counselor for approved DE Courses and verify through the GAFutures Course Directory list, as some courses are not eligible for high school credit.
- Before registering for Self Pay Dual Credit Courses, students must complete and submit the Self-Pay Course Approval Form to the high school counselor before paying for any college courses, textbooks, and fees.

DE APPLICATION PROCESS

1. Parent and student must meet with their counselor to discuss DE interests/options and graduation requirements.
2. Student must take the appropriate test (i.e. SAT, ACT, ACCUPLACER) to gain admission into the university/college.
3. Student must meet GPA requirements for college admission.
4. Student must submit all required documentation to the college/university.
5. After acceptance is received, the student and parent meet with school counselor to discuss course options and complete any applicable course registration and agreements (**mandatory**).
6. After acceptance is received, the student completes the DE Funding/online application (GAfutures.org).
7. Student registers for DE classes with the college advisor based on courses approved by the high school counselor at least 10 days prior to the university deadline.
8. Students obtain a copy of the college schedule and gives a copy to the high school counselor for verification of graduation requirements.
9. At the end of the semester/quarter, the college will provide the high school counselor with a copy of the transcript; however, the student can also provide the college/university official transcript to the counselor.
10. Steps 1-9 must be repeated each semester or quarter a student wishes to enroll in DE.

Get a Jumpstart on YOUR College education

DREAMS. MADE REAL.

Clayton State University

- Classes are offered Summer, Spring, and Fall semesters
- Students can take up to **30 funded credit hours**
- DE classes are offered at these CSU locations:
 - **Henry County-Academy for Advanced Studies** transportation from the high school is provided
 - **Clayton County** Main Campus – Morrow
 - Peachtree City - Fayette County
 - Online via CSU and/or eCore

WWW.CLAYTON.EDU
DEHENRY@CLAYTON.EDU

Eligibility Requirements

- Completion of the **10th grade** or equivalent – student **MUST** be a high school junior or senior upon enrollment
- **MUST** have COMPLETED 2 years of ENGLISH & 2 years of MATH in high school
- Complete DE **Student Participation Agreement and Funding Applications**
- Obtain a **Clear Understanding of Dual Enrollment** - the benefits & challenges as well as the *impact* DE classes have on your high school & college transcript.
- Complete admissions and enrollment process with the University

ACADEMIC REQUIREMENTS

GPA Minimum HS GPA of 3.0 academic core

Test Score Minimum

- SAT or PSAT **480** Reading or **440** Math
- ACT or PACT with **17** English/Reading or **17** Math
- Accuplacer Scores of **237** Reading **260** Math **4** Writing
Composite Scores are no longer required

(use QR code for dates of testing in your area)

Where Do I Start?

1. Meet with high school **School Counselor**
2. Complete CSU DE **Application for Admission, Submit Test Scores, High School transcript or any other college transcript**

*Due to the summer break, all students should apply for FALL semester by **March 31st** AND complete their student enrollment file by **May 1st***

3. Complete "**Accepted Student Checklist**"
 1. Certificate of Immunization
 2. Funding Application (**GAfutures.org**)
 3. Complete CSU DE **Online Orientation**
 4. Meet with your **CSU advisor**

WWW.CLAYTON.EDU
DEHENRY@CLAYTON.EDU

Example of a common CSU Class Schedule

Most classes are 2 days per week for approx. 1 hour 20 minutes
(CSU Henry campus has small class sizes)

	<u>Monday</u>	<u>Tuesday</u>	<u>Wednesday</u>	<u>Thursday</u>
8:50-10:10 AM	Math1111- College Algebra	English 1101- Eng. Comp	Math1111- College Algebra	English 1101- Eng. Comp

This is an example of a part-time schedule of
2 courses (6 college credits)

DUAL ENROLLMENT AT GEORGIA TECH

DISTANCE MATH
DISTANCE COMPUTER
SCIENCE
ON CAMPUS DE

CREATING THE NEXT®

DISTANCE MATH YEAR ONE

- Students with AP Calculus BC with score of 4 or 5. Occasionally we may see students qualify with transferrable DE Math.
- Linear Algebra (MATH 1554) Fall semester
- Multivariable Calculus (MATH 2551) Spring semester
 - Lectures are pre-recorded and posted in a learning platform
 - Studios are live and offered at two times of day on Mon and Wed.
 - 8:25 to 9:15 or 5:00 to 5:50
 - All homework online
 - 3-5 tests during the semester. Final exam broken into two parts. One mid-term and the final are proctored at the high school.

DISTANCE MATH YEAR TWO

- Students with college credit for Linear Algebra and Multivariable Calculus
- Applied Combinatorics (MATH 3012) Fall semester
- Differential Equations (MATH 2552) Spring semester
 - Classes are asynchronous
 - Lectures are recorded
 - All homework online
 - 3-4 tests during the semester, after normal school hours
 - Exam broken into two parts

DISTANCE COMPUTER SCIENCE

- CS 1301: Introduction to Computing
If students receive credit at GT with a score of 4 or 5 on the AP Computer Science A exam, this is the course for which they get credit
- CS 1331: Introduction to Object-Oriented Programming
Students may place into this course if they have credit for CS 1301 and are proficient in Python.
- Each is a one-semester course. Offered summer, fall or spring semester.
- Recorded lectures, optional recitations, online discussion forums.

ON CAMPUS DUAL ENROLLMENT

- Limited to 20 students per year
- Registration not guaranteed in any particular classes. Students cannot count on taking classes needed for graduation
- Intended for students who have exhausted high school curriculum in math and/or science.

Logistics:

- Commuting and parking
- Nearly all classes at Tech are offered mid-morning. Nearly all labs are late afternoon.

COLLEGE/UNIVERSITY ADMISSION PROCESS FROM OUR PARTNER UNIVERSITY:

Dual Enrollment Overview

- Dual Enrollment students take college classes while still in high school—these courses can be either academic or technical
- High School Credit + College Credit = 1 College Class
- Dual Enrollment funds cover tuition, textbooks, course materials and most college fees/expenses
- Degree Level Core Courses Transfer to USG colleges
ie ENGL 1101, HIST 2111, POLS 1101, MATH 1111

Eligibility Requirements

- Must be a 10th, 11th, or 12th grade student
- Must have minimum 2.0 GPA
- Must submit an SCTC application for admissions online at sctech.edu
- Must speak with high school counselor to complete necessary steps

2023-2024 Course Options

- Logistics, Computer Classes, Nursing, Business Management, Criminal Justice, Automotive, Phlebotomy, Cardiovascular Technology, Water Quality, Industrial Systems Technology, and Core Academics—available at SCTC's Henry County Center
- All programs/courses offered at SCTC's other campuses/centers available for DE students
- Some courses to be offered at Academy for Advanced Studies—Cosmetology, Culinary Arts, EMT

**Bussing provided to SCTC's Henry Center for classes that run during school system may be available for after/before hours classes or classes offered at other SCTC locations

HOW TO GET STARTED

- 1) Talk to your counselor about dual enrollment
- 1) Apply online at sctech.edu
- 1) Send Admission & Registration Documents to cristy.mcabee@sctech.edu
- 1) Apply for DE Grant (funding application)

Chat?

- All students complete the online Dual Enrollment funding application.
 - No paper version
- Students complete one application per program year.
 - Program year goes from Summer term to Spring term
 - Unless student changes high schools or home study programs during the year, then must complete a second application
- As part of the application, student completes the participation agreement and provides parent's email.

- After the student submits their online Dual Enrollment Funding application, the parent/guardian must complete the participation agreement before the high school can process the application for approved courses.
- Neither the high school nor the college/university can process a student application until the parent agrees to student participation in Dual Enrollment.
- Separately, students must complete the college admissions application process as well.

REMINDERS

- ▶ Meet with your school counselor
- ▶ Obtain acceptance by the University/College for Dual Enrollment
- ▶ Complete the student & parent sections of the DE online application
- ▶ Complete the participation agreement and HCS Checklist with the school counselor.
- ▶ The school counselor must be informed of any changes.
- ▶ Grades of W, WD or WF (withdrawal from a course) given at the college will equate to a “F” on the high school transcript, unless there are extenuating circumstances.
- ▶ Make sure your counselor receives a copy of the transcript at the end of each semester or quarter.

REMINDERS

- ▶ Contact the counselor for participating in DE for the following semester.
- ▶ Follow all deadlines for the college/university. All information must be completed and school counselor must have all information to enter into the funding application **10 days prior to college deadline.**
- ▶ Make sure you balance your high school and college courses, if you enroll in both.
- ▶ Make the most of this awesome opportunity!!

THANK YOU!

We welcome your feedback! A survey will be sent for you to complete regarding tonight's session.
