Dear MHS parents/guardians,

On Tuesday, 8/31/2021, we will begin offering our Title I after school tutoring opportunities. These tutoring opportunities will be available in the four core content areas (Math, Science, Social Studies, and English/Language Arts). The first semester tutoring days will be every Tuesday and Thursday through November 18th and the hours will be from 3:20-5:20pm. Tutoring will be face-to-face and space may be limited. Bus transportation will be available at the conclusion of tutoring, however, due to transportation constraints buses may arrive after 5:20pm on some days.

Students must be signed up for a tutoring session in advance by their teacher on a weekly basis. Bus transportation will be limited only to those students who have been signed up by their teacher in advance and who have indicated the need for transportation.

Students will be expected to show up on time to their tutoring locations and follow all policies as outlined in the HCS Student Handbook. Students who are a disruption to the tutoring environment or who fail to follow school policies may lose the privilege of after school tutoring opportunities. If you have any questions about our tutoring program, please reach out to me at joel.harris2@henry.k12.ga.us

Thank you

Tony Harris
Graduation Coach
