Dear Mount Carmel Community,

My name is Andy Pike, and it is with abundant pleasure that I welcome you to the 2021-2022 school year! I am looking forward to another spectacular school year as we work to ensure we Motivate, Challenge, and Empower every student here at Mt. Carmel.

Our dedicated staff is committed to ensuring we meet the needs of all of our stakeholders, especially you and your student's needs. We serve to provide an environment where your student feels safe and welcomed, and we commit to providing high-quality instruction and multiple opportunities for you to be involved. Our teachers are the backbone of our school, and as such, I am charged to ensure our teachers are provided with consistent feedback, opportunities for growth, and the resources necessary to support all of our students. We have a tremendously talented and dedicated faculty and staff who are here to support you and your student.

Your student's learning is a team effort here at MCE, and we want you to be involved in this effort. We encourage you to communicate consistently with your student's teacher, to be an active member in our PTO, and to reach out any time you have questions or concerns. Please make sure that you have access to Infinite Campus and that your contacts are updated, as this platform is used to communicate grades and serves as our record of the best means to contact you. Your student's teacher will also provide their best means of contact and will seek this information from you as well. Also, please make sure that you have downloaded the "Here Comes the Bus App." Your student's teacher will also provide their best means of contact and will seek this information from you.

Thank you for the opportunity to serve your family. I look forward to our best year ever here at MCE. Thank you for all that you have done and continue to do to support your Mustang and the ambitious work of Mt. Carmel Elementary.

Respectfully,

Andy Pike

Principal
