

The STEM Scoop

October 2021

STEM-tastic News

- **"Cultivating Citizens of Change through STEM Innovation "**
This past May, PGE received their recertification from the State of GA Department of Education. This distinction denotes Pleasant Grove Elementary as a State of Georgia STEM School. The hard work and dedication of the students, teachers and administration at the school led to this honored award. The official STEM Celebration and GADOE Banner Presentation will take place on Friday, 10-8-21 at 8:30. Parents can join virtually. The link to view will be on the PGE Website the morning of the ceremony.

STEM in Action

Kindergarten students have a new *STEM-tastic* slogan: *STEM Matters!* This slogan supports all the great work and activities that students and teachers are engaging in as they study Matter in their Science unit.

Mrs. Summer's Kindergarten class had a great activity where they changed heavy whipping cream from a liquid to a solid as they made delicious, whipped butter! Students enjoyed this delicious treat as they discussed the changes in the states of matter.

Way to go Kindergarten!

Upcoming Events

October 7th- Picture Day

October 8th – Early Release 11:25am

STEM Recertification Celebration

October 11th- 13th Early Release

Parent- Teacher Conferences

September 15th thru October 15th

Title I News

Happy October! It is the time of the year that we ***Fall into Family Engagement***

On Campus, we have been celebrating & highlighting the achievements of influential Hispanic Americans who made history. Classes have embraced the different cultures through History, music & art; but we would like to know,

How have you been celebrating at home?

Whether you cooked a traditional meal, danced to some Latin beats or image searched a Hispanic or Latino Country, **share it with us!**

Maybe, your family would like to tell us a little about their home country & or culture; email or tag us in social media using #PGE_HCS and we'll share it!

The theme is: **ESPERANZA**
A celebration of Hispanic Heritage and Hope

*** Send family engagement pics & videos to**
PGEp@rents@gmail.com

October 6th- Annual Parent Meeting is virtual. Flyer, PPT, documents & Acknowledgement forms will be posted on the school's website.

Students of the Month
