Connecting

All Henry County Schools students are issued a free PINES Library Access for Youth (PLAY) Card account as part of a collaboration between Henry County Schools, Georgia Library PINES*, and your Henry County Public Libraries. The PLAY Card account provides each HCS student with free materials (books, magazines) and online resources from the public library to help your child succeed in school, along with fun resources to support a lifelong love of reading.

Check out 5 physical items at a time from the library catalog of over 11 million items for books, DVD's, audiobooks, and other materials at over 300 libraries across Georgia.

No fines for overdue items!
Fines still apply for lost, long overdue, or damaged materials; however, the account, library resources, and services are all free.

PLAY Card accounts will use HCS student ID numbers as the library card number - one less login to remember!

Check out e-books, audiobooks & digital magazines! Titles are returned automatically with no fines!
