#BeReadyDayOne

Don't wait - complete back to school updates and verifications now!

Utilizing the Infinite Campus Online Registration through the Parent Portal, parents/guardians of current Henry County students should log in and complete the required forms electronically:

To complete this important process in order to #BeReadyDayOne, follow these steps **(see reverse for screenshots)**:

1. Open the Parent Portal.
2. Click the "More" option along the left-hand side of the page.
3. Select "Information Update/Verification".
4. Choose "Current Student Information Update/Verification".
5. Select "Begin Update".
6. You must repeat the steps for each child in your household who is currently enrolled in HCS.
7. If you have children currently enrolled in HCS but need to register additional children for the first time, select Add Another Student.

Through this process you will update/verify the following information:

a. Household Information – address and phone numbers
b. Parent/Guardian Information – work and cell phone numbers, email addresses
c. Student Information – demographic, health/medication information, and transportation selection options
d. Emergency Contact Information – addresses and phone numbers
