Greetings!

The *Eagle's Landing Middle School* Counseling Department will be taking 8th graders on a field trip to tour the *Academy for Advanced Studies* on **Tuesday, November 12th, 2024**. This tour will give your scholar an opportunity to explore different career pathways at AAS and become familiar with the academy before they enter high school. This College and Career Readiness activity can help shape their high school and post-secondary plans.

The bus will depart from *Eagle's Landing Middle School* at approximately 10:00a.m. on November 12th, and will return on campus around 2:00p.m. The cost for this field trip is \$7, which will cover the transportation expenses; payments can only be made through **MySchoolBucks**. We are only able to take a maximum of 120 students, so this will be a first come, first serve basis. If you have any questions, please email me at jalen.carver@henry.k12.ga.us.

Location: Academy for Advanced Studies (AAS) ~6.5 miles from Eagle's Landing

401 East Tomlinson Street, McDonough, GA 30253
