

# PARTNERS-IN-EDUCATION

## Partnership Plan

The Partners-in-Education Program is coordinated by the Henry County School System with support from the Henry County Chamber of Commerce. Our mission is to develop partnerships between schools and local businesses and community organizations to support student and school success.

**Partnership Activities (to be completed collaboratively by community partner and school representative)**

This plan signifies a commitment to the partnership for a period of **two school years**. The plan highlights the significant activities and contributions planned as a result of the partnership, and is subject to change as conditions, needs, and opportunities arise.
