

Middle School Supervised Agriculture Experience Record Book

Student's Name _____ Grade _____

Name of Project _____

Type of Project _____

Address _____

City _____ State _____ ZIP _____

Parent's Name _____ Phone Number _____

FFA Member: Yes No Total Score _____

SAE Description: 15 points

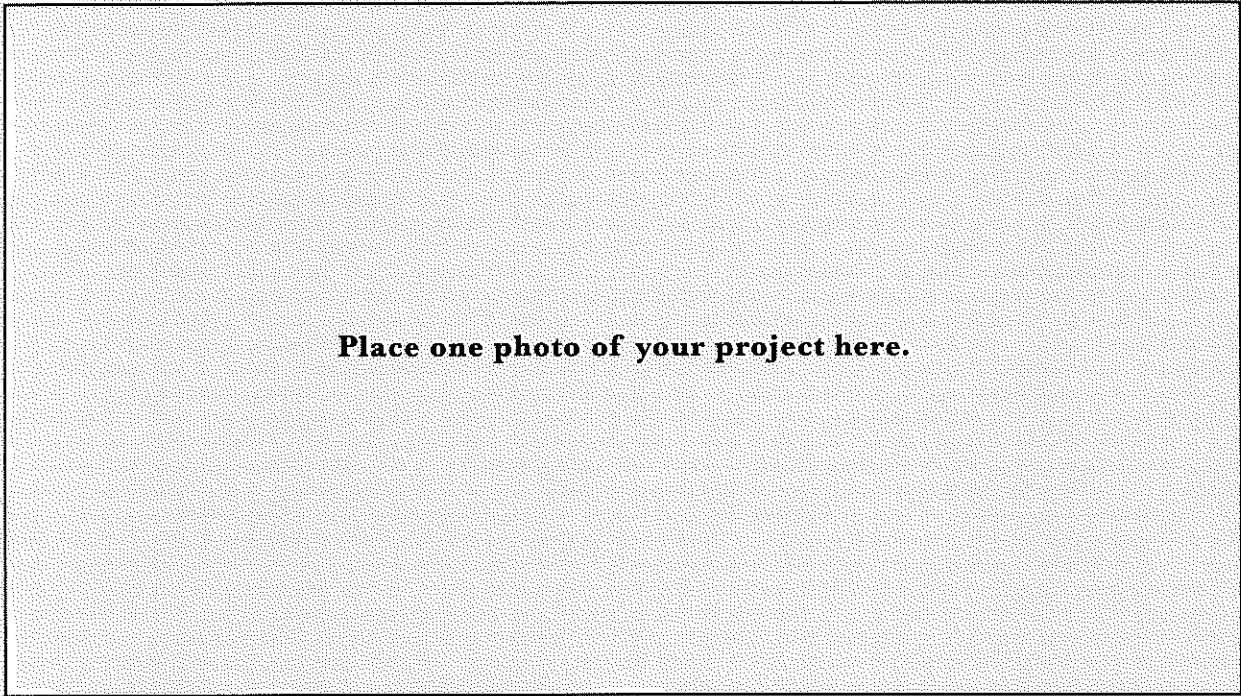

Write a complete paragraph describing what you will be accomplishing with your project.

SAE Goals: 15 points

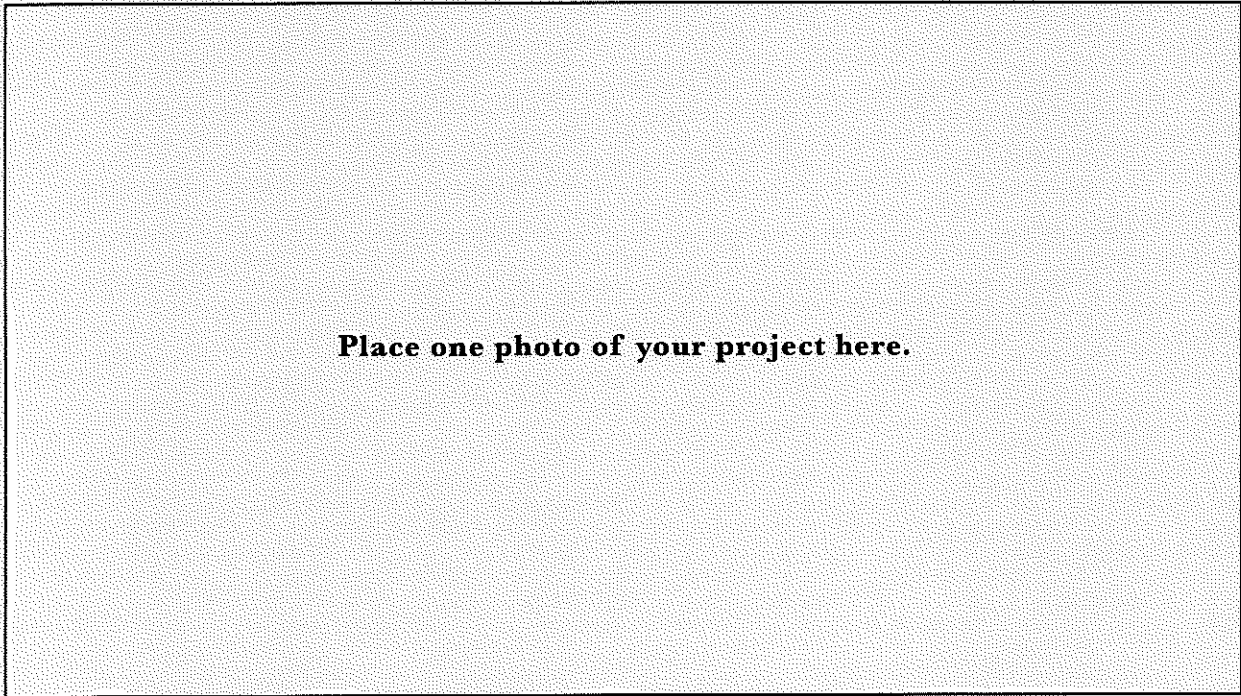

Write a complete paragraph describing the goals you have for your SAE project.

Photographs: 10 points

A minimum of 2 pictures must be included with captions describing what you are doing in the photo related to your project. Tape, glue, or staple them below or attach them on a separate piece of paper. Extra pictures may be turned in for extra points (1 point per photo) up to 5 points total as long as they are different from the two below.

Caption:

Caption:

Expenses and Income: 10 points

In this section, record any money spent or earned on your project. If no money was spent, fill in with zeros. Totals should be added at the bottom of this section.

examples

Date	Description	Amount Spent (Expenses)	Amount Earned (Income)
March 18	bought gas for the lawn mower	\$5.50	
March 18	cut grass for Mrs. Jones		\$20.00

Experience Learned: 10 points

Write a complete paragraph describing what you learned from completing your SAE project.

SAE Project Plan Format: 10 points

This SAE Record Book must be turned in on time with parent's signature and there are 100 total possible points for an outstanding SAE Project.

I pledge that my child completed this project and that all the information in this record book is accurate to the best of my knowledge.
